- NOTES:-**
- Interested parties/prospective suppliers should submit supporting documents and trade licence to substantiate that they are registered to provide the goods, services, works and consultancy services for which they are applying to provide the NTC.
 - Please note that the prices of the goods, works and services should not be submitted at this stage.
 - The attention of the applicants are hereby drawn to the fact that registration does not mean that the NTC has any obligation towards them and does not entitle them to become exclusive goods, services, works and consultancy services providers. The NTC reserves the right to look for alternative suppliers, should it be deemed necessary.
 - Suppliers who have already forwarded their company profile and are dealing with the NTC need to register anew.
