

NATIONAL TRANSPORT CORPORATION

ADDENDUM No. 1

REQUEST FOR PROPOSAL

Procurement No.	RFP/NTC/26/16
Subject	Motor Surveyor to Carry out Surveys and Assessment of Accident Cases Relating to Fleet Vehicles of the National Transport Corporation
Bidding Document Issued on	27 July 2026
Addendum No.	1

ADDENDUM TO THE BIDDING DOCUMENT

Bidders are hereby informed that the Bidding Document issued on 27 July 2026 for the above procurement is amended as follows:

1. ANNEXURE 1 – TERMS OF REFERENCE

Part 2 – The Services

The following paragraph shall be inserted after the existing paragraph under Part 2 – The Services:

*“The scope of the Motor Surveyor services shall also cover Vehicles under comprehensive insurance policy for at fault and not at fault. The Motor Surveyor shall carry out the necessary survey and assessment of loss or damage arising from an accident involving NTC Electric Buses and other vehicles for the purpose of supporting the submission and processing of insurance claims, irrespective of whether the Corporation is **at fault or not at fault** for comprehensive insurance policy.”*

Accordingly, references in the Terms of Reference to accident cases involving NTC vehicles shall be read as including accident cases involving NTC Electric Buses and other vehicles, in accordance with the above provision.

2. OTHER PROVISIONS

Except as expressly amended by this Addendum, all other terms, conditions, requirements, provisions and information contained in the original Bidding Document remain unchanged and shall continue to apply.

This Addendum shall form an integral part of the Bidding Document and shall be read and construed together with the same.

National Transport Corporation
